Please be advised that the City of San Diego Solid Waste Local Enforcement Agency (LEA) will be holding an informational public meeting in compliance with Public Resource Code §44004 regarding a new proposed Solid Waste Facility Permit for the Allan Company Material Recovery Facility & Transfer Station, SWIS #37-AB-0016. The LEA is certified by the California Department of Resources Recycling and Recovery (CalRecycle) to enforce state laws and regulations at solid waste sites within the City of San Diego, including all transfer/processing facilities.

Description of Project and LEA's Determination

The Allan Company is requesting a Solid Waste Facility Permit for their "Clean MRF" operation to allow processing of material with greater than 10% residue waste. The facility operates on a 3.58 acre site and plans to accept 1000 tons per day of curbside and other source-separated recyclables including: cardboard, paper, metal, plastic, glass, wood, and textile. The LEA has accepted the permit application package as complete on March 10, 2011 and will be drafting a proposed Solid Waste Facility Permit.

Where copy of application can be reviewed

A copy of the approved application is available for public review by appointment in the LEA office located at 1010 Second Avenue, 6th floor, San Diego, CA 92101.
